FOR IMMEDIATE RELEASE

**U.S. CONGRESSIONAL CANDIDATE ANDY COLEMAN
SIGNS TAXPAYER PROTECTION PLEDGE**

Owasso, OK – On Tuesday, Andy Coleman signed the Taxpayer Protection Pledge drafted by the Americans for Tax Reform. Andy pledged to oppose any and all tax rate increases for individuals and businesses.

“I am excited to give my word to Oklahoma taxpayers that I will never vote for a tax rate increase if elected,” stated Coleman. “As a conservative running for U.S. Congress, this is another step I can take to clearly frame where I stand on important issues. Hardworking Oklahomans are pressed enough as it is. Lower tax rates would help them out while also helping our economy grow. It’s the right call, and I will fight any and all income tax rate increases the federal government will try to impose.”
